4th-7th or 8th-10th graders, max 6 students each

This class turns reluctant writers into savvy scribes! Your child will begin to strive for quality, not just write until they are "done" by learning how to:

- perfect the 5-paragraph essay
- use advanced vocabulary and style
- polish basics like spelling and grammar
- research safely & accurately incl. Internet

SUMMER Bridge: Tools for Middle & High School

EVENINGS Tues 6 to 8 pm June 29-Aug 3
4th-7th or 8th-10th graders, max 6 students each

Bridge is a unique hybrid of tutoring and cognitive skill-building that we offer all year. Summer Bridge offers engaging instruction in reading, writing & math, tailored to your child's learning style and ability. Whether they need review, an alternative way to understand concepts, or a challenge that will help them excel next year, in Summer Bridge your child will dig deep without feeling like they are in summer school.
